

KEY FOB WITH LIP BALM

REQUIREMENTS

One 5" X 6½" piece of fabric

One 2½" x 6" wadding or interfacing

One key fob hardware

INSTRUCTIONS

Place the wadding/interfacing in the middle of the wrong side of the fabric.

Fold over the bottom to the interfacing.

Make a centre crease and then fold the outside into the middle. Fold in half and top stitch the folded edge.

Measure 1¼" from the raw edge of the fabric and draw a line. Fold up the bottom to this line. Top stitch sides.

Add hardware to raw edge end.

Insert lip balm.

We suggest you measure the lip balm before you cut your fabric, so that your lip balm fits into the pouch properly.
